

# WAYS TO SUPPORT COMPASSION HOUSE FOUNDATION

# WHO WE ARE

Mission: Compassion House Foundation supports women who must leave their homes for cancer care.

Sorrentino's Compassion House, owned and operated by Compassion House Foundation, provides a home-away-from-home for around 300 women each year. We offer a sanctuary of healing support with much-needed programs and services in-house and post-treatment giving women facing cancer the chance at the best possible outcome.

When women come and stay with us, they're leaving the familiarity of their home and community. Our hope is to offer more than just a place to stay, but to offer them a haven; we want to provide a community where they can feel connected, supported, and uplifted during their cancer journey.

“THE HOUSE BECAME MY HOME AND GAVE MY FAMILY PEACE OF MIND. I’M SO GRATEFUL FOR THE SUPPORT AND FOR EVERYONE WHO ENSURES THE FOUNDATION IS AVAILABLE FOR WOMEN AND THEIR FAMILIES DURING THE CANCER JOURNEY.”

-TIFFANY, FORT MCMURRAY
