

# 2024 ANNUAL REPORT

# A Note from Leadership

Dear Supporters, Partners, and Friends,

It is with immense pride that we present the 2024 Annual Report for Compassion House Foundation. This past year, we provided a safe and nurturing place for 198 women. Together they spent 4,318 nights, that's almost 12 years, under our roof. They found strength, shared stories, and focused on healing as they faced cancer. Our Foundation is able to provide this supportive environment for our guests through a unique combination of purpose-built accommodations, an attentive staff team, and an expanded roster of in-house programs and services.

Sorrentino's Compassion House is a living testament to the collective power of

community. Our guests, donors, Board of Directors, staff, and volunteers work to create a unique supportive and healing experience for women far from home receiving cancer treatment. We are grateful and humbled by the support and trust each of you has placed in us.

As we share the stories, milestones, and impact from the past year within these pages, we also reaffirm our commitment to the future. There are still many more women who need our services, and we will continue to provide affordable and compassionate care at a time when they need it most.

In this House, no one faces cancer alone.

With gratitude,

Jennifer Kluthe, Board Chair  
Jacqueline Foord, Executive Director
